### BBQ'S, Birthdays & Pool Parties

We have had a lot of fun this summer. We went to Tina's and Kevin's for their birthdays, Paul's for two pool parties, Shawna's for a pool party and a hike, the Bluffs for a BBQ volleyball and a hike and bowling and pizza for Joanna's birthday. Thank you to everyone who shared their food, pools, homes and love. We had a happy, wonderful, beautiful time.

### Mission Statement

It is the Mission of the Eppleworth Adult Centre to continually ensure a safe and reliable environment for the growth and enjoyment of its participants. It is the mandate of the Eppleworth Adult Centre to promote the education of its members through encouragement of sound practices in education, life skills, cooperation, family values, and physical fitness and community experiences.

### PROFILES

My name is Kevin and I have been a participant at Eppleworth for about eleven years. I am a very honest guy with a good personality, good

eye contact and body language. I like Eppleworth because of my friends and the staff. I love to listen to Big Band music and Irish music. I like to spend time with my big family too.

## A day on the water

We had so much fun on Gloria and Roger's boat, The Duker. We went to the Outer Marina on Lake Ontario and met with Roger, Deiter, Gloria and Bill. We had a barbecue on the dock while we took turns boating around the lake. Some of us got to drive the big boat, except when the police were around. The boat had a living room and a bedroom and an upstairs too. We thanked our friends so much for taking us out on the water.

## Birchmount Bluffs Neighbourhood Centre

It is Eppleworth's 11th anniversary! Wow, what a blast! We are so excited about our program. We have had many sensitive participants and loveable staff and helpful volunteers over the years. Our program is crazy! It makes us feel so happy. We have seen many people come and go. This makes us feel sad sometimes. We are family enough to know that the love and kisses must go on! Our friends are special! Eppleworth rocks .

We have had so much fun this summer, with many sport activities.

- soccer
- bocci (lawn bowling)
- hockey
- volley ball
- hockey
- skunk
- soccer baseball
- teather ball

## Mama Mia

The Eppleworth crew went to see a " GREAT" play, called Mama Mia. It was a play with lots of singing and acting out. It was about a young woman who is about to get married and is trying to search for her lost father.

We had such a fantastic time, we even got up to shake our booties, it was awesome.

Before the play started we went out for a scrumptious meal at a sensational restaurant. There was 26 of us all together, and amazingly no-one starved or got lost!

It was fun travelling on the GO train, we birds stuck together like a peanut butter and jelly sandwich. I hope we can go see another play, it was truly a fun day. Our parents are such wonderful people, we are so lucky.
